A NOTE TO YOU!

The Yearbook Staff has a job that many throughout the school think is easy, and we think it's time you knew, IT'S NOT, we all have a specific job to do from going out on the town and soliciting our advertisement space, to working on our spare time, and all this to you for nothing in return but complaints and gripes of why can't it be better? Well for your information it is BETTER! and every year gets even BETTER! Some think that we get something out of it, well we do, we get the knowledge and experience of putting together a book that will be read by over 1,000 people and that's only counting students! We get no pay because Yearbook is a non profit organization, the only pay we get is PRIDE and that we have a lot of!

THE SHEPARD'S PSALM

The Lord is my Sheperd; I shall not want.

He maketh me to lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; Thy rod and Thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; Thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.
